WINTER WEATHER ALERT!

When winter weather arrives, check the radio stations of WDAC or WJTL to learn if the church activities for that day or evening have been cancelled or changed in any way. Both radio stations carry changes over the airwaves and on their internet sites. Check with the above stations whenever driving conditions are questionable and may influence a change in schedule. Also, if our Sunday morning worship services are affected by the weather, information may be available on WGAL or WHP 21.
