An East Fairview Church Family In Need

Families in our church are currently experiencing major long-term financial need that is beyond the ability of our benevolence fund to solve. Many times we send money on a monthly basis to organizations that help people around the world and this is still important but we now have the opportunity to help a family locally. Please consider providing a monthly gift for these families along with one of your weekly tithes and label it "**Families in need**". The need is great and the time is dire. The funds will be dispersed as they come in. We are keeping the family names confidential to help them maintain a level of dignity. Please consider making this a priority in your giving. We will keep you informed as the need changes.

The church nursery (available for children up to age 4) is located back the main hallway, past the restrooms, on the left. Please feel free to entrust your children to us for this hour.
